Dear Sirs:

We wish to express our sincere thanks and our deep appreciation to you, to the Rev. R.H. Gleason, to all members of the committees of the William T. McCoy Post, No 92, of the American Legion, and to all comrades in the American Legion for your agency in bringing about the visit of the President to Rochester and for your great kindness to us in the awarding of the American Legion Citation.

The entire occasion was handled with dignity and with consideration for the convenience of the President, of us, and of the thousands of citizens who were the guests of the Legion and of Rochester.

We treasure the Citation of the American Legion as a most distinguished honor, and we shall hold in grateful memory the occasion of its awarding.

Faithfully yours,

signed: W.J. Mayo
